Why choose a joinery apprenticeship at McCue?

McCue create bespoke joinery for some of the world's most famous brands including Urban Outfitters, H&M, ODEON Cinemas and many luxury hotels across the UK and Ireland.

We are proud to support local and have fitted out The Harp Bar, The Jailhouse, The Culloden and Zen.

Why choose McCue for your young person's apprenticeship?

- McCue care for our team in particular our apprentices – They are imperative to the future of our business success.
- When they join our business, your young person will be assigned to a team. The team will train and support them throughout their apprenticeship.
- We have long standing relationships with the local colleges and deliver an innovative and engaging educational experience.

Parents Testimonial

Reece chose McCue as he has always had an interest in helping his dad or myself doing in DIY around the house. The joinery and carpentry course suited him best.

I had heard of McCue before and when we met them at the college they were very passionate ensuring my son would learn and enjoy his apprenticeship with them.

Now in his third year I am glad he chose McCue, he has grown as a person and has received great training and opportunities .
