

# BREDA ACADEMY

## KS5 SUBJECT CHOICE BOOKLET

For 6th Form Entry Sept 2024

## Dear Student

This booklet provides information on each of the Advanced Level Subjects on offer. Each Head of Department has outlined respective examining bodies, a course description, entry requirements and higher education and career progression routes.

Students in Year 13 take the equivalent of three Post 16 subjects, but may choose four, depending on their GCSE results. Post 16 students also study Life Skills and have access to a wide variety of enrichment activities, such as Young Enterprise, Interview Skills, Careers Events, Road Safety Awareness.

A placement in sixth form is seen as an aspiration for all our GCSE pupils and we strive to maintain a high standard. We view sixth form students as a special part of our school life. As a young developing adult with your own beliefs, values, knowledge and skills, you will have made lifelong friendships, as well as having gained the skills, confidence and maturity to face the challenges in the years ahead.

**Ms G Ferguson**

**Senior Teacher (KS5)**

As Head of Year 13 and 14 I would like to take this opportunity to welcome students who are considering Sixth Form education in Breda Academy.

In Breda Academy we focus on the individual pupil and we provide tailored support in order that they choose the correct subject combinations which will enhance their outcomes for whatever pathway they wish to choose after Key Stage 5. We offer a wide and varied range of academic subjects and vocational qualifications. We also conduct individual interviews with every student who applies to give the students the opportunity to explore the options that are open to them within Breda Academy and to help them choose the pathway which would cater for their best individual educational needs.

At Breda Academy we have an experienced and dedicated pastoral team in Sixth Form and our focus is to develop our students to be independent, life long learners who will demonstrate Breda Academy's motto which is "Learners today, Leaders tomorrow". Our Sixth Form students should show a strong commitment to every aspect of our school community and set high standards for the rest of the school by their good behaviour, their enthusiasm and effort towards their study, their leaderships skills and by their concern for their fellow students.

Sixth Form students have the opportunity to become prefects and buddies to a Junior School set of pupils. The Sixth Form also will decide on their own Student Council which will give them a voice to heard and for the school management to take on board new innovative ideas and strategies for successful and enjoyable learning experiences within the school.

**Mr M Henry**  
**Head of Year 13 and 14**

# HEAD BOY AND HEAD GIRL

## Head Student Mark Truesdale

Being appointed as Head Boy is an honour and a role I am very proud of. I wanted to become Head Boy to help improve our school so it becomes a place where students can grow and have fun and for it to be a place that primary schools encourage their students to go after P7.

## Head Student Hollie McKay

I knew from my first year at Breda Academy that I wanted to be Head Girl, and the role is everything I hoped it would be. I love having the chance to communicate with everyone, and hope I can help the younger students grow as people and enjoy their time at Breda just as much as I have.

My advice for younger students: School is a fun place when you make it fun. You can do this by just making the most of your time here, making as many good memories as possible with the people around you.

# Life in Sixth Form

The special features of Senior School include:

- Expert tuition in all subjects at AS and A Level
- A friendly atmosphere where a committed team of teachers and support staff working in partnership with the students
- A tutorial programme designed to help each student achieve their full potential
- Career guidance and advice on university applications and interviews
- A Senior Prefect System
- Involvement in the Student Council, The Buddy System

Opportunities to develop and show leadership qualities

An enrichment programme to broaden learning experiences

A wide range of extra-curricular activities

Extensive IT facilities

Excellent library facilities

Supervised study room

A separate common room with kitchen attached

# STUDENT SUPPORT

# Overview

## Academic Requirements

All students must meet the criteria set for their chosen pathway.

Some subjects may be taken without having first studied them at Level 2, others will have a specific requirement.

Please read the relevant subject pages for further information.

Sixth Form entry criteria may be enhanced.

### CLASS SIZE

1. If a class is oversubscribed, students will be chosen on the basis of their results in that subject
1. If a class is undersubscribed it may not be offered.
3. The preferred combination of subjects may not always be possible due to timetable constraints.

### PLEASE NOTE

- In addition to the academic criteria above we reserve the right to refuse admission into Sixth Year to any pupil whose past behaviour has been unacceptable. Furthermore we assume that those choosing to return to school after Year 12 are indicating their willingness to accept and Follow the school rules.

### Moving on to Year 14

Any pupil with an 'E' grade or below will not be permitted to return without an interview to ascertain the appropriate next steps.

# KS5 Entry Criteria

## BLUE PATHWAY:

### Criteria:

5 GCSE /L2 grades at C or above or equivalent.

(including GCSE English Grade C or above)

## PURPLE PATHWAY:

### Criteria

5 GCSE/L2 grades at C or above or equivalent.

(including GCSE English secure Grade D or above)

**Behaviour and conduct in Year 12 will be taken into consideration for all applications.**

**GCSE/L2 results will determine choice of subjects.**

**Subject specific criteria apply for certain courses.**

**Please note criteria may be altered.  
All applications are dealt with on an individual basis.  
The principal reserves the right to decide upon your application based on you meeting the criteria and your aptitude/maturity for 6th form study.**

Department	Qualification	Entry Criteria
Information Technology	BTEC L3 National Extended Certificate in Information Technology	5+ A*-C (or equivalent) including English Grade C With Grade C or Pass in L2 ICT
	OCN NI L3 Diploma in Information Technology	5+ A*-C (or equivalent) including English secure Grade D
Home Economics	BTEC L3 National Extended Certificate in Children's Play, Learning and Development	5+ A*-C (or equivalent) including English Grade C With Grade C in GCSE Child Development
Health & Social Care	GCE A-Level in Health & Social Care (Single Award = 1 A-Level)	5+ A*-C (or equivalent) including English Grade C It is not a requirement to have studied GCSE Health and Social Care, however it would be considered as advantageous.
	GCE A-Level in Health & Social Care (Double Award = 2 A-Levels)	5+ A*-C (or equivalent) including English Grade C It is not a requirement to have studied GCSE Health and Social Care, however it would be considered as advantageous.
Art & Design	GCE A-Level in Art & Design	5+ A*-C (or equivalent) including English Grade C GCSE Art & Design is desirable, but not essential if you were above average in Year 10.
Physical Education	BTEC L3 National Extended Certificate in Sport	5+ A*-C (or equivalent) including English Grade C With Grade C in GCSE PE or Pass in L2 Sport
Psychology	BTEC L3 National Extended Certificate in Applied Psychology	5+ A*-C (or equivalent) including English Grade C
Business	BTEC L3 National Extended Certificate in Business	5+ A*-C (or equivalent) including English Grade C Grade C in GCSE Mathematics is preferred
Science	AQA Level 3 Extended Certificate	5+ A*-C (or equivalent) including English Grade C and Double Award Science L2 Pass may also be considered

Department	Qualification	Entry Criteria
Technology	GCE A-Level in Product Design	5+ A*-C (or equivalent) including English Grade C  With Grade C in GCSE Design and Technology and/or Art & Design
English	GCE A-Level in English Literature	5+ A*-C (or equivalent) including English Grade B and/or English Literature
Travel & Tourism	BTEC L3 National Extended Certificate in Travel & Tourism	5+ A*-C (or equivalent) including English Grade C
	NCFE L3 Certificate in Travel & Tourism	5+ A*-C (or equivalent) including English secure Grade D
History	GCE A-Level in History	5+ A*-C (or equivalent) including English Grade B and History
Geography	GCE A-Level in Geography	5+ A*-C (or equivalent) including English Grade C GCSE Geography is preferable but not mandatory
	OCN NI L3 in Geographical Information Systems	5+ A*-C (or equivalent) including English secure Grade D L2 ICT is preferable but not mandatory
Religious Education	GCE A-Level in Religious Studies	5+ A*-C (or equivalent) including English Grade B GCSE RE is preferable but not mandatory
Art & Design	OCN NI L3 in Creative Arts & Digital Technologies	5+ A*-C (or equivalent) including English secure Grade D
Learning for Life & Work	OCN NI L3 in Employability and Professional Skills	5+ A*-C (or equivalent) including English secure Grade D
Music	OCN NI L3 in Creative Arts & Digital Technologies	5+ A*-C (or equivalent) including English secure Grade D
NIFL Football Academy	BTEC L3 Extended National Diploma in Sports Studies	5+ A*-C (or equivalent) including English Grade C Must represent a NIFL Club

# Information Technology

<b>Department</b>	IT
<b>Subject Title</b>	Information Technology
<b>Qualification</b>	BTEC
<b>Exam Board</b>	Edexcel
<b>Course Description</b>	<p>The BTEC Information Technology course explores information technology systems and gives students the opportunity to create and discover systems that manage information. It requires students to research and use social media in business. Students also explore effective website development before creating a website of their own.</p>
<b>What is it about? What will learning be like?</b>	<p><b>The BTEC Information Technology qualification is made up of 4 units:</b></p> <ol style="list-style-type: none"><li>1. <b>Information Technology Systems</b></li><li>2. <b>Creating systems to Manage information</b></li><li>3. <b>Using social media in business</b></li><li>4. <b>Website Development</b></li></ol> <p>Learners will develop a common core of IT knowledge and study areas such as the relationship between hardware and software that form an IT system, managing and processing data to support business and using IT to communicate and share information.</p>

<p><b>Entry Requirements</b></p>	<p>5+ A*-C (or equivalent) including English Grade C</p> <p>With Grade C or Pass in L2 ICT</p>
<p><b>Progression Routes</b></p> <p>-Further Education</p> <p>Is it accepted by most major universities?</p> <p>Types of courses it can lead into?</p>	<p>Achievement of this qualification can support progression to go on and study relevant IT degrees in a higher education institution such as:</p> <p>Computing/IT, Computer Science, Software Development Business Information Systems</p> <p>This qualification is also designed for learners who are interested in an introduction to the study of creating IT systems to manage and share information, alongside other fields of study, with a view to progressing to a wide range of higher education courses, not necessarily in IT.</p>
<p><b>Further Details</b></p> <p>Where can I find out more?</p>	<p>Specification: <a href="https://qualifications.pearson.com/en/qualifications/btec-nationals/information-technology-2016.html#tab-ExtendedCertificate">https://qualifications.pearson.com/en/qualifications/btec-nationals/information-technology-2016.html#tab-ExtendedCertificate</a></p>

# HEALTH & SOCIAL CARE

<b>Department</b>	Health and Social Care
<b>Subject Title</b>	GCE Health and Social Care
<b>Qualification</b>	Single Award= 1 A Level Double Award= 2 A Levels
<b>Exam Board</b>	CCEA
<p><b>Course Description</b></p> <p>What is it about?</p> <p>What will learning be like?</p>	<p>The health, social care and early years sectors are major employers in the public, voluntary and private sectors in Northern Ireland. Health and Social Care gives students the opportunity to study an eclectic range of subjects relevant to these sectors, including communication, physiology, social policy, family issues and research methods. The qualification will appeal to students with an interest in health and well-being and caring for others. This extremely popular course will appeal to students with an interest in pursuing a career in health, social care, or early-year settings.</p> <p>The course follows an AS/A2 structure, comprising <b>exam and portfolio</b> units of work. The AS units are:</p> <ul style="list-style-type: none"> <li>• AS 1 Promoting Quality Care</li> <li>• AS 2 Communication in Care Settings</li> <li>• AS 3 Health &amp; Well-Being</li> <li>• AS 4 Safeguarding Children</li> <li>• AS 5 Adult Service Users</li> <li>• AS 6 Holistic Therapies</li> </ul> <p>The A2 units are:</p> <ul style="list-style-type: none"> <li>• A2 1 Applied Research</li> <li>• A2 2 Body Systems &amp; Physiological Disorders</li> <li>• A2 3 Providing Services</li> <li>• A2 4 Public Health &amp; Health Promotion</li> <li>• A2 5 Supporting the Family</li> <li>• A2 6 Understanding Human Behaviour</li> </ul>

<p style="text-align: center;"><b>Entry Requirements</b></p>	<p><b>5+ A*-C (or equivalent) including English Grade C</b></p> <p>It is not a requirement to have studied GCSE Health and Social Care, however it would be considered as advantageous.</p>
<p><b>Progression Routes</b></p> <p><b>-Further Education</b> Is it accepted by most major universities? <b>Types of courses it can lead into?</b></p> <p><b>-Careers</b></p>	<p>It is compulsory for all year 13 students to complete a short period of placement where they will have an opportunity to develop their thinking skills, including independent learning creative thinking, and problem-solving and develop a range of work-related skills.</p> <p>This academic course enables students to develop knowledge, understanding, values, and skills relevant to employment in the health, social care, and early years sectors. This qualification provides a clear pathway to a range of degrees including nursing, allied health professions, social sciences, social policy, social work, and early years. Both SA and DA qualifications are widely accepted by all universities, including Queens and Ulster.</p>
<p><b>Further Details</b> Where can I find out more?</p>	<p>Speak to a Health &amp; Social Care Teacher</p> <p>Visit the CCEA website for further information. <a href="http://www.rewardinglearning.org.uk">www.rewardinglearning.org.uk</a></p>

# ENGLISH LITERATURE

<b>Department</b>	English
<b>Subject Title</b>	English Literature GCE
<b>Qualification</b>	A Level
<b>Exam Board</b>	CCEA
<b>Course Description</b>  What is it about? What will learning be like?	<p>The specification will give students the opportunity to study not only a wide range of literature written by home-grown Irish writers but also literature from outside the UK and literature in translation. Through independent and critical reading, students will develop their interest and enjoyment in literary studies and become accomplished, discerning readers.</p> <p>Includes a response to <i>poetry, prose and drama</i> and is examined through one controlled assessment and external examinations over the course of two years. The Controlled Assessment allows students to select two books of their own choosing.</p> <p>Requires and develops skills in reading, analysis and reflection. Teaching is largely discursive with a heavy weighting on research and self-motivation. Students should have the ability to write at length and be able to communicate clearly and effectively.</p>

<p><b>Entry Requirements</b></p>	<p><b>5+ A*-C (or equivalent) including English Grade B and/or English Literature</b></p>
<p><b>Progression Routes</b></p> <p><b>-Further Education</b> Is it accepted by most major universities? Types of courses it can lead into?</p> <p><b>-Careers</b></p>	<p><b>A'Level English offers a flexible entry into the Arts in all universities or FE colleges. It is a skills centered subject so lends itself to all degrees that require essay writing.</b></p> <p><b>Linked careers include – <i>Teaching, Law, Journalism, Publishing, Advertising, Human Resources, Management...</i></b></p>
<p><b>Further Details</b> Where can I find out more?</p>	<p><b>ccea.org.uk (English Literature Microsite)</b></p>

# HISTORY

<b>Department</b>	<b>History</b>
<b>Subject Title</b>	<b>History</b>
<b>Qualification</b>	<b>A Level</b>
<b>Exam Board</b>	<b>CCEA</b>
<b>Course Description</b>	<p>A Level History provides students with opportunities to explore key political, economic and social events which have helped shape today's institutions, governments and societies. It also contributes to an understanding of spiritual, moral and cultural issues.</p>
<b>What is it about?</b>	<p>Through a wide range of engaging teaching and learning strategies, A Level History aims to encourage students to:</p> <ul style="list-style-type: none"><li>• improve as effective and independent learners, and as critical and reflective thinkers</li><li>• develop the ability to ask relevant and significant questions about the past, to carry out research and evaluate</li><li>• acquire an understanding of the nature of historical study, for example that history is concerned with interpretations based on available evidence</li><li>• develop their use and understanding of historical terms, concepts and skills;</li><li>• make links and draw comparisons with and/or across different periods and aspects of the past; and</li><li>• organise and communicate their historical knowledge and understanding in different ways, arguing a case and reaching substantiated judgements.</li></ul>
<b>What will learning be like?</b>	<p>The specification has four units:</p> <ul style="list-style-type: none"><li>• Unit AS 1: Historical Investigations and Interpretations</li><li>• Unit AS 2: Historical Conflict and Change</li><li>• Unit A2 1: Change Over Time</li><li>• Unit A2 2: Historical Investigations and Interpretations</li></ul>

<p><b>Entry Requirements</b></p>	<p>5+ A*-C (or equivalent) including English Grade B and History</p>
<p><b>Progression Routes</b></p> <p>-Further Education</p> <p>Is it accepted by most major universities?</p> <p>Types of courses it can lead into?</p> <p>-Careers</p>	<p>A Level History can open up a wide range of opportunities for further education and is accepted by most major universities as an approved subject for higher education entry. Through following this course, students will develop skills that are transferable and are highly sought after by employers.</p> <p>Students will have the opportunity to develop their skills and increase their self-confidence through researching, organising information, having a questioning approach to evidence, arguing a case, reaching balanced conclusions based on evidence and writing in a clear and coherent way. These are skills will help students in further/higher education and to succeed in their chosen career.</p> <p>Many History students go on to have interesting and challenging careers, for example in the media, politics, library, teaching, lecturing, business or civil service. It may also lead to a more specialist career as an archaeologist, historical researcher, solicitor, barrister, museum curator or genealogist.</p>

# RELIGIOUS STUDIES

<b>Department</b>	Religious Education
<b>Subject Title</b>	GCE Religious Studies
<b>Qualification</b>	A Level - GCE Religious Studies
<b>Exam Board</b>	CCEA
<p><b>Course Description</b></p> <p>What is it about? What will learning be like?</p>	<p>Religion plays an important role in our society and can influence what people think, feel, and believe. Through studying Religious Studies, students get a broad look at how religion and spirituality form the basis of our culture.</p> <p>Religious Studies also helps students develop marketable skills and a wide range of aptitudes including:</p> <ul style="list-style-type: none"> <li>• analytical and strategic thinking;</li> <li>• research skills;</li> <li>• critical judgment;</li> <li>• the ability to work with conceptual ideas;</li> <li>• an ability to 'understand both sides' and negotiate and resolve conflict;</li> <li>• problem-solving skills;</li> <li>• leadership skills;</li> <li>• understanding the impact of conflicting ideologies; and</li> <li>• an appreciation of human diversity, belief systems, cultural and spiritual experiences.</li> </ul> <p>GCE Religious Studies is made up of two levels: AS and A2. The AS can be taken as a 'stand alone' qualification without progression to A2. However, to obtain the Advanced GCE qualification (full A'Level), students must complete both the AS and A2 levels.</p>

<p style="text-align: center;"><b>Entry Requirements</b></p>	<p>5+ A*-C (or equivalent) including English Grade B</p> <p>GCSE RE is preferable but not mandatory</p>
<p style="text-align: center;"><b>Progression Routes</b></p> <p>-Further Education Is it accepted by most major universities? Types of courses it can lead into?</p> <p style="text-align: center;">-Careers</p>	<p><b>Further Education:-</b> Religious Studies A Level is accepted by every major university. Students can use it to study religion to degree level (they can gain a degree in Theology/Divinity) or they can use their A Level as a stepping stone to another degree, such as social work, law medicine or education.</p> <p><b>Careers:-</b>The skills and knowledge built up through a study of Religious Studies A Level can lead to careers in law, education, social work, politics, medicine, administration or the media.</p>
