

18 December 2018

Dear Parent/Carer

**Year 12,13,14 Study Day 4<sup>th</sup> January**

I am writing with further details of the study day on Friday 4<sup>th</sup> January 2019 for years 12,13,14 that I mentioned in my letter last week.

Classes will be provided as described on the timetable overleaf.

- Students are expected to attend for all the classes that they take.
- Given the constraints of fitting a programme into a single day, individual students may encounter clashes where two classes require their attendance at the same time. In those circumstances, the subject teachers concerned will make the final decision as to which class the student attends.
- Students may wear their own clothes on this study day.
- School buses will run at the normal times and a break and lunch service will be provided as indicated.
- School facilities in the library and elsewhere will be available for Y13 and Y14 students without scheduled classes to work in school.
- Where Y12 students have no classes they will not be required to remain in school and may go home early. If you wish your child to remain in school until they can be collected at the normal end of school time, please let the office know and we will make arrangements for them to be supervised in school.

A small number of year 11 students will also be involved and have been notified separately by the relevant subject teachers.

Please ensure that your child has checked the timetable and is aware of which classes they will be attending before they leave at the end of this term.

Once again, may I wish you and your families a happy Christmas and a prosperous new year.

Yours faithfully

**MD Munro – Principal**
