OUR SCHOOL COMMUNITY

Only permitted school uniform is allowed to be worn on our school premises.

If a student is seen wearing an item of clothing other than the permitted school uniform, they will be required to store the item in our secure cloakroom and it will be returned to them at the end of the school day. If a student refuses to do this, it will result in parental contact and SLT sanction.

The school reserves the right to contact parents/carers and arrange for students to be sent home to rectify unacceptable uniform/appearance.

Uniform Policy

OUR SCHOOL COMMUNITY

Students of Breda Academy are expected to dress smartly and wear their uniform with pride. A school is both a community and a working environment. Smart uniform is one way in which we express our readiness for work and our determination to promote a positive image for ourselves and our fellow students within and beyond the school.

Wearing a uniform ensures all students feel welcome. It promotes inclusion and relations between different groups of students.
