the bulletin

Dear Parents and Carers,

I hope our Easter Bulletin finds you well and like me, looking forward to hopefully enjoying the warmer, brighter and longer days of Spring!

"No winter lasts forever and no spring skips its turn. Easter is a symbol of hope, renewal, and new life."

As we cautiously return to 'normal' schooling once again, I can't believe it has been two years since schools across Northern Ireland first closed due to the Covid-19 pandemic. As a community, we have navigated through this challenging time by supporting each other and by working together to ensure our students can 'bounce back' as quickly as possible. The teaching and support staff continue to work tirelessly to meet the needs of our students, ensure they make progress in their learning and support their wellbeing.

As the Easter break approaches, it is a time to connect and/or reconnect with family members, reflect and appreciate all that is positive and good in our life; it reminds us about sacrifice and to rejoice in this new season of hope. Hope is Optimism for the future and Noam Chomsky, an American linguist, philosopher and cognitive scientist, once said,

"Optimism is a strategy for making a better future. Because unless you believe that the future can be better, you are unlikely to step up and take responsibility for making it so."

Fortunately, our students can look forward with hope for a positive future, as they have the opportunity to attend and embrace what our school provides, and if they persevere and work hard for 7 years, they can leave Breda Academy with the necessary qualifications and skills to attend a university, engage in an apprenticeship and/or successfully access the work place to pursue a chosen career.

Sadly, this is unlike the children of the Ukraine at the moment and I am sure you will join me with your thoughts and prayers for a swift resolution to this conflict. In response, I am extremely grateful to you and our school community for raising over £1000 in our non-uniform day on Friday 8th April to send to Ukrainian families in need and I am also very pleased that we raised over £500 for the Belvoir ASD Group in our non-uniform day on Friday 17th December.

The highlight of this year for me so far has to be attending the Year 14 Formal party at Ten Square Hotel and the Year 12 Formal celebration at the Stormont Hotel. They were both extremely enjoyable evenings and marked the start of new chapters in our students' lives as they think ahead to what their future holds in the next few years. I was so proud of all the students who attended both these events, because they all made such an effort, not only with their outfits and entrances, but as mature young adults to ensure that they all enjoyed and celebrated with friends and peers their time together at Breda Academy, in such a special way.

There have been so many other highlights this year for both staff and students and in our Easter Breda Bulletin, kindly compiled by my Ms McMullan, Senior Teacher, it showcases and celebrates many of the events and activities students at school have been involved in during 2022. I hope you enjoy the articles and photographs as you will read and see that our school continues to be a vibrant and bustling community of young people to be very proud of, and we are! They're eager to achieve, to support others and work closely with their teachers, who do their very best to provide as many opportunities as possible, to help them develop their skills and engage in new learning experiences.

Our Facebook page is updated daily to celebrate what our students do, keep you up-to-date with what has been going on and with important information you may need to know <https://en-gb.facebook.com/Breda-Academy-1394574960867218/>

I wish you and your families the very best of health and hopefully one or two chocolate eggs to enjoy during Easter!

Kind regards,

Mr P. Perry – Acting Principal
Breda Academy

Year 13 BTEC Level 3 Children's Play,

Learning and Development

have been able to get back to their favourite part of the course; work placement.

The class went to a range of early years settings and each of the pupils thrived in their chosen placements.

The feedback received from placement supervisors was outstanding. Well done girls.

Our **Music Department** continues to offer a wide range of musical experiences to our pupils, including drum kit, keyboards and even the ukulele, which the Key Stage 3 pupils have been learning to play.

If you are interested in learning to play a musical instrument or would like to join one of the extra-curricular clubs offered by the Music department, please speak to Miss Broadhurst.

Pupil Wellbeing

As part of our wellbeing programme, each student in Years 8-10 was offered the opportunity to take part in a Tai Chi session during school. Tai Chi is an ancient martial art which promotes inner peace and calm and it was a new experience for most of our pupils.

Key Stage 3 - TAI CHI sessions

Physical & Mental Well Being

Wellness is much more than merely physical health, exercise, or nutrition. It is the full integration of physical, mental, and spiritual well-being.

GREETINGS

Jars of Life

Working alongside a business advisor, students have created a Social Enterprise company, designed, made, and sold their own product. We investigated the market, carried out research and developed 'jars of life.'

There are 3 different categories that can be purchased, the rainy-day jar, healthy recipes, and the mental well-being jar. The jars are designed for families to help take decision making process 'out of the parents' hands.' Children choose a piece of paper with an activity or recipe on it and the decision is made for them.

The healthy recipe jars come with a recipe book that gives instructions and ingredients for each recipe and the mental well-being jar comes with an activity book with mindfulness activities included. Our products are fully recyclable and sustainable.

This term, the group attended the Young Enterprise trade fair in Castlecourt. It was a fantastic event that allowed us to generate £81 that will be used to create more products to increase profits which will all be donated to our chosen charity- cancer fund for children.

The deputy Lord Mayor came to visit the Young Enterprise stalls and we won 'best product knowledge' company. This was the first trade fair we have attended so keep up with our progress and follow us on Instagram https://instagram.com/the.jars.of.life?utm_medium=copy_link.

EASTER ROCKY ROAD

COURTESY OF THE H.E. DEPARTMENT

Ingredients

- 400 g Milk/Dark Chocolate
- 125 g Golden Syrup
- 125 g Unsalted Butter
- 100 g Mini Marshmallows
- 150 g Digestives (chopped)
- 500g Easter Chocolates
- 250 g White Chocolate

Instructions

- Line a 8/9" Square tin with Greaseproof paper and leave to the side.
- In a Large bowl, add in the Chocolate, Golden Syrup, and Butter – melt on a low heat in a ceramic bowl over a saucepan of simmering water, or in the Microwave on short bursts until fully melted – stir until smooth! Be careful not to overheat the mixture!
- Once it's melted and combined, add in the Marshmallows, chopped biscuits, Easter Chocolates (apart from a handful) – fold together – pour into the tin and spread until it is even.
- Melt the white chocolate and pour over the top of the rocky road, and sprinkle over the last of the Easter Chocolates!
- Refrigerate until set, chop up, and enjoy!

Notes

- You can easily half the recipe. Store this in the fridge, and it will last for about a week!
- Use mini Creme eggs so that they are not too big in the Rocky Road.

CRUMLIN ROAD GAOL - PSYCHOLOGY TRIP

Forensic Psychology is a popular topic within the Key Stage 5 Psychology course and in it we study the reasons why some individuals turn to crime, different methods of punishment and rehabilitation and how criminal profiling is conducted in the UK and USA. As part of this unit, the Year 13 and 14 students visited the Crumlin Road Gaol, which is a popular tourist attraction in North Belfast. They were allowed to return to school though, due to their good behaviour!

Phoebe Sanchez & William Reid

Antonio Hasan & Calin Covaci

Our Year 13 and 14 students attended a British Airways Zoom meeting where they found out information about future job roles within British Airways. This meeting proved extremely beneficial, so much so, that some students in Year 14 have already applied for a Cabin Crew position.

Our Year 14 took part in a role play scenario where they had to draw up possible itineraries for an upcoming holiday based on a customer's requirements.

Kin Wing Chung & Ethan Brown

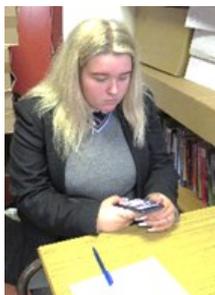

Chelsea Watt & Jack Rainey

Mia Young & Chelsea Watt

Our Year 11 and 12 OCN have been working their way steadily through their coursework and have recently completed their Communication booklet. Part of this involved students phoning customers of 'Breda Travel' using the telephone and also leaving a voice recorded message. These tasks proved not only enjoyable, but also educational to the students.

ICT DEPARTMENT

Year 8 pupils attended Strathearn school where they took part in a website competition all about climate change.

Students had 4 weeks to practise developing a fully functional website, which they had to build from scratch on the day of the competition. The boys worked hard and had so much fun along the way. At the end of the day, Breda students presented their finalised website to senior colleagues at All State NI before the winner was decided. Although we didn't win first prize, we were able to learn so much and get experience of working alongside IT specialists.

Fabian had this to say: "It was very fun and very competitive. We all tried our hardest and can't wait to try again next year!"

Year 14 Formal
Friday, 25th March 2022
Ten Square Hotel

Dear Year 14,

It's been a 7 year journey at Breda Academy (for most of you), but it will soon be time for us to say goodbye. The staff would like to give you a few messages and words of advice to set you on your way!

My advice would be to travel, travel, travel! It opens the mind to new and different perspectives and teaches us tolerance. All the best for your journey ahead Year 14!

Mrs McWilliams

Good luck Year 14. You are an amazing bunch and have been an absolute pleasure to teach. I am going to miss the laughter and our daily chats. You have worked extremely hard and deserve every success in the future. Take care.

Love , Mrs Towse,

Thank you all for all the great memories you have left in room 13, especially the laughs!

I wish all the Year 14 pupils all the very best for the future because you are the best!

Mr Mallon

The psychologist Carl Rogers said **"When I look at the world I'm pessimistic, but when I look at people I am optimistic."** When I look at the young adults you have all become, I can see the truth in these words. Good luck and continue making us proud!

#proudtobebreda

"Let your light shine before others." Matthew 5:16

Let everyone see how amazing you are and try your best in everything you do. Success is yours for the taking.

Your future is bright.

Mrs Towell

Good luck to all Year 14 on the next part of your journey!

I wish you all the success in the world!

Be yourself and dream big!!

Mr Armstrong

To my wonderful Year 14 CCLD class. It has been a pleasure to teach you over these last few months. I know that each of you will go on to do great things. I wish you all the very best for the future. Best wishes, Ms Daly

"There are three responses to a piece of product design – YES, NO and WOW! Wow is the one to aim for." Year 14 product design, this year has been my WOW! – Good luck and best wishes to all our year 14 pupils.

Mrs Ryan

Wishing you all a happy, healthy and exciting life after Breda. Remember life is an adventure, so do as much as you possibly can.

"Live a life you will remember". 🎵🎵

Mrs Coulter

Good Luck to you all, our very first Breda Academy cohort! It has been a pleasure watching you grow, achieve and develop into young adults, you should all be very proud.

"There are far, far better things ahead than any we leave behind."
—C.S. Lewis

Best Wishes, Ms Ferguson

Every blessing in your future endeavours.

All the very best!

Mr Patterson

Many of the current year 14s, were in my year 12 form class at the start of Covid and lockdowns. I really felt for so many of them when they had their dresses, and suits bought, only to miss out! But seeing many of them looking amazing at the recent formal made me really pleased for them. The formal itself was well planned, and organised by the Year 14 committee and everything went so smoothly.

The most beautiful thing was the interaction between students and staff. The Year 14 in attendance were a credit to the school, to their parents, and most of all to themselves. What a brilliant evening we all had together. I think it conveyed the strong and respectful, relationships we have built up since the birth of Breda. Mr Mills

Head of Sixth Form – Mr Henry

It's hard to believe that another school year is coming to an end. Through good times and tough times, we've found new ways to show that we can get over the finish line. Being your Head of Year has been a real pleasure and I wish you all the very best in the next chapter of your life.

TEACHERS**

Breda Academy welcomed its first cohort of Year 8 pupils in September 2015 and these pupils are now our Year 14 Leavers. We can't believe that they have now been here for seven years and these pupils have truly shown what it means to 'Be Breda!' If any of them need a reminder of their first ever day at Breda Academy, here are a few pictures to jog their memories!
